

COAT & SOCK DRIVE

Coats and socks are among the most needed, yet least donated articles of clothing.

We're partnering with One Warm Coat and Knock Knock Give A Sock to help give warmth to those who need it this winter.

Please donate your
gently worn coats and **new socks**
at any Guardian Storage location
throughout the month of November!

Help us reach our goal of collecting **2,500 coats** and
2,500 pairs of socks for local shelters!
