As a service to our tenants, we offer the Guardian Protection Plan. At a very low cost and with no deductible, Guardian Storage will reimburse you up to an agreed upon amount for damage to your stored property resulting from:

- Fire, explosion or smoke
- Theft, vandalism or malicious mischief
- Roof leak or water damage
- Windstorm that causes damage to the building
- Collapse of the building where property is stored
- Impact of aircraft, missile, or vehicle
- Pest damage (up to \$500)

\$18/month = \$5,000

\$12/month = \$2,000

Already have insurance?

Even if you have coverage for stored items through a homeowner's or renter's insurance plan, the deductible is likely to be hundreds, or even thousands, of dollars.

1. Peace of mind that your items are protected
2. Zero deductible
3. Premium not affected due to claim
4. Satisfies required "coverage of stored items" clause in lease
